

# Picture assignment

This assignment is meant to look back to different phases in your life. Many diverse factors (happening, persons, work, etc.) will have had at that moment an impact on you. The questions below can help you, to frame those factors. Answer the following questions for the picture, which you have brought with you.

## Describe, globally, the situation on the picture

What do I see on the picture / behind the key: which persons are there, what is happening, where is it, how old were you then, etc.?

.....  
.....  
.....  
.....  
.....  
.....

## Why do you have such good memories with this picture / behind the key? What did you feel / experience then?

.....  
.....  
.....  
.....  
.....  
.....

## Which persons were, in the period that this picture was taken (this key meant so much for you), important for you?

Did they influence on you as a person? How? What did you learn from them?

.....  
.....  
.....  
.....  
.....  
.....

## Where did you live in that period? Did you like that? Why (not)?

.....  
.....  
.....  
.....

.....  
.....

**Which education did you follow then or what work did you do?**

Did you like that education / work? How come?  
Which qualities did you use in your work / education?  
What did you learn form your work / education?  
How were you as colleague / student?

.....  
.....  
.....  
.....  
.....  
.....  
.....

**Which occupations did you have in your free time?**

(hobby, sport, family, friends, etc.)

.....  
.....  
.....  
.....  
.....

**Where there at that tie, important things happening in your life or were there important changes in your life?**

Which?  
How did those happenings / changes influence your person / your life?

.....  
.....  
.....  
.....  
.....

**Where there other factors which played an important role in you life, at that time?**

(e.g. religion, culture, politics, society, or something else?)

.....  
.....  
.....  
.....  
.....
