TOO MUCH OBLIGATION, TOO LITTLE INSPIRATION?

OPTIMIZATION THROUGH PLANNING AND PARTICIPATION

The revival of Kočevska lost landscapes

German speaking community (Gottscheer) of 28.000 people living in 177 villages and hamlets from 1330 until the second half of 19th century, dissappeared due to economic and political emigration.

How to preserve and present this unique heritage and landscape?

THE REVIVAL OF KOČEVSKA LOST LANDSCAPES

Students of the 2nd year of Master programme of Landscape Architecture study at the University of Ljubljana:

By: collecting historical sources

getting information from local authorities and inhabitants

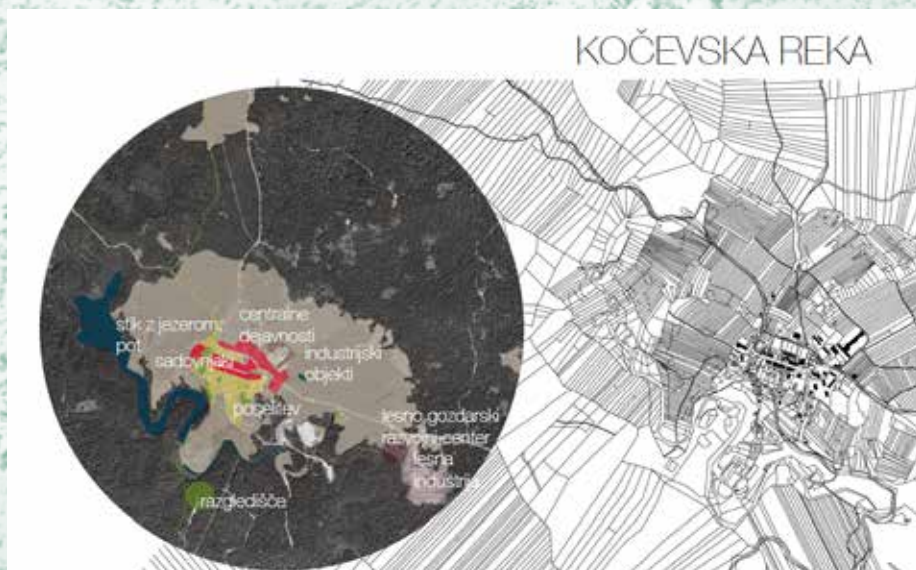

field visits

workshops, presentations,...

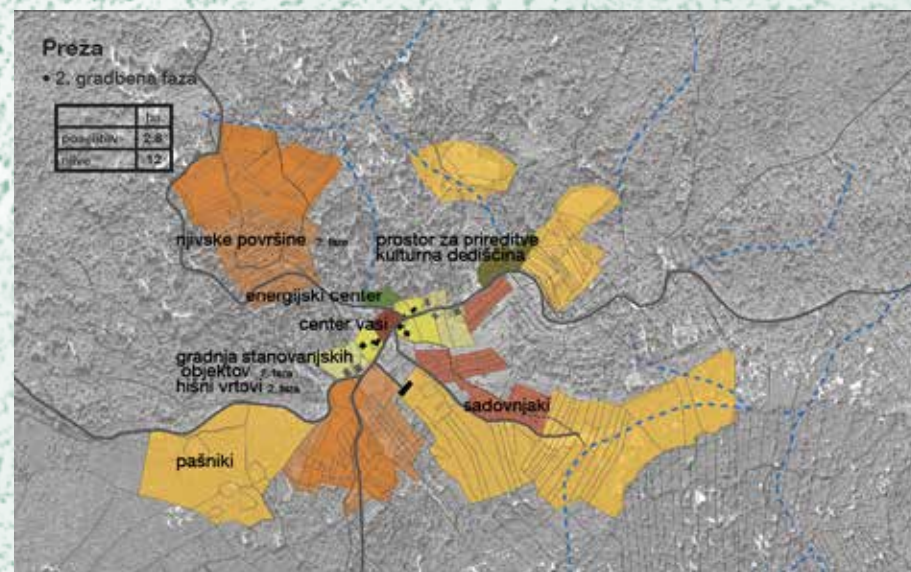

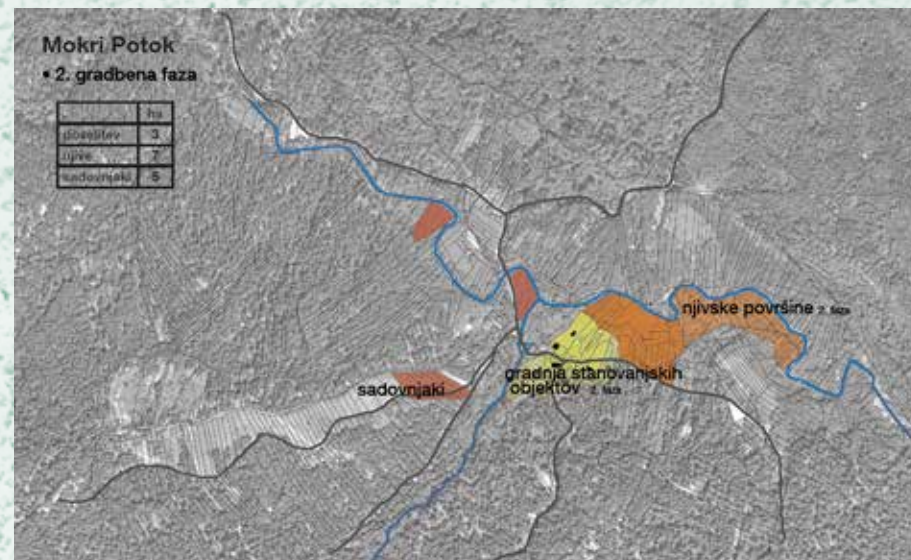

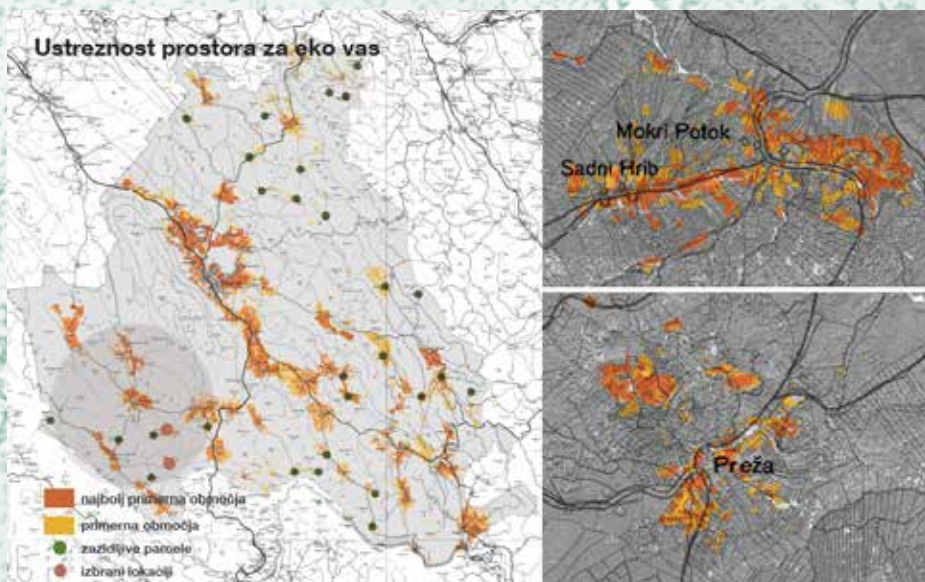

Developed, verified, presented their ideas....
