

SECAD & The LEADER Approach

Enabling Social Innovation

Ryan Howard SECAD Partnership

17th Summer Academy

“Creating innovation and smart solutions for sustainable local development”

LEADER Trans-National Cooperation

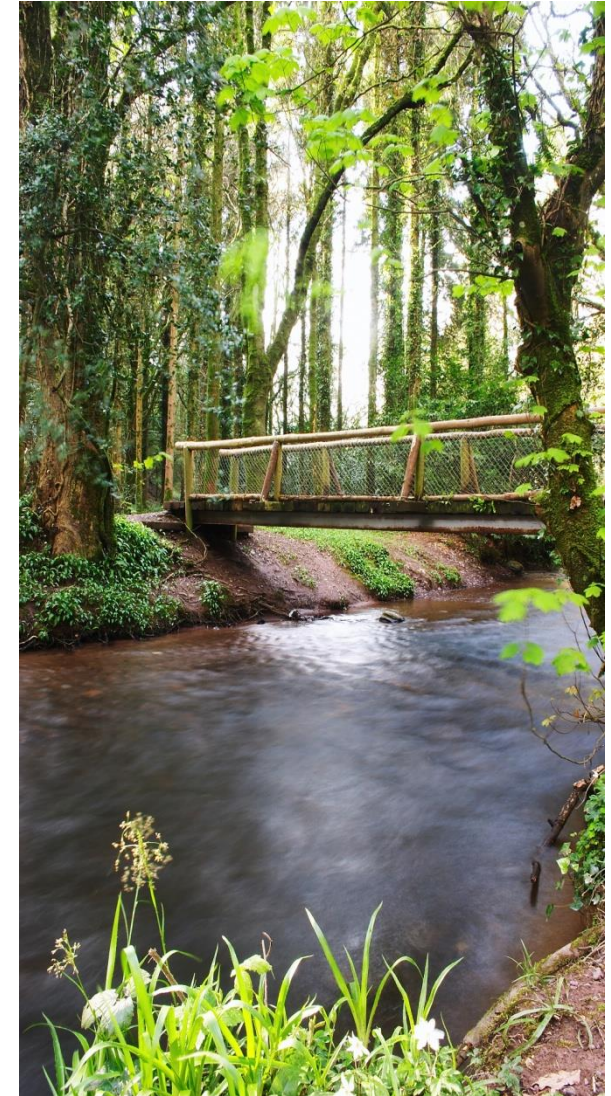

Social Innovation:

What does it **mean**? Why?

Where does it **Come From**?

How can you **Enable It**?

Social Innovation:

‘Classic’ Innovation Matrix = **‘Triple Helix’**

Partners = **State + Academia + Private Sector**

Social Innovation:

‘Creative’ Innovation Matrix = ‘**Quadruple Helix**’

Partners = **State + Academia + Private Sector**
+ **Civil Society**

Example of Social Innovators: Carrigtwohill - Community Park

Example of Social Innovators: Carrigtwohill Community Centre and Carrigtwohill Family Resource Centre

Example of Social Innovators: Skibbereen Family Resource Centre

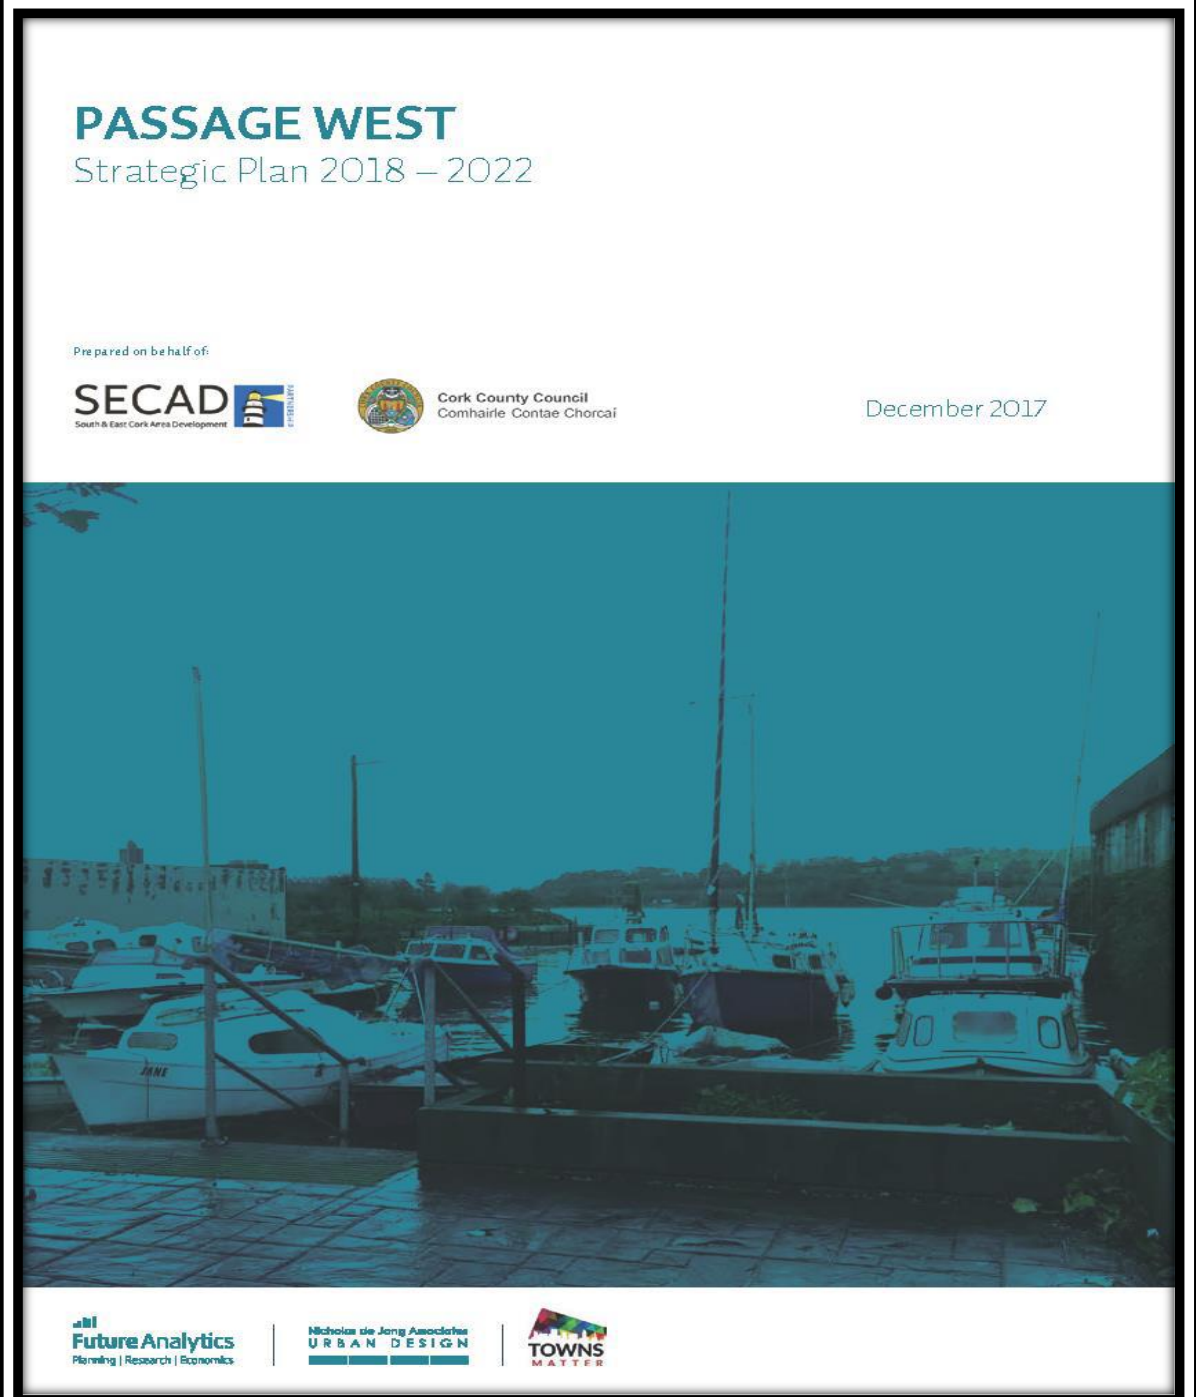

Example of Social Innovators: Ballinadee Community Council

Enabling (Animating) Cross-Community Social Innovation

- SECAD Approach 2018 +

Example: 'Passage West'

Passage West – At the Mouth of River Lee and Opening of Cork Harbour

(2nd Deepest Harbour in the World)

Passage West – Industrial Heritage - ‘Heavy’ Industry

Needs a 'face lift' – New Life? Where is it going to come from? And Who will take Responsibility?

Danger of Destruction of Architectural Heritage – Impact on Social and Economic Resilience
