KARDITSA

LESSONS

- We have the same culture as south Italy
- Improve maintenance
- Improve European Funds
- Improve European sense of belonging
- People mostly use bikes
- More than two bikes per family
- Longest bicycle lane
- Kindness of the vice-mayor

The city of Karditsa

- **The first case study is the municipality of karditsa**
- **The main transport of the city is bicycles**
- **Market place**

The city of Karditsa

- **City's council hall (previous) is no longer in service**

- **City's council hall (current) was renovated and upgraded in energy consumption**

The city of Karditsa

- Because many people use bicycles they have to charge them and fix them

The city of Karditsa

- **Despite the many bicycles people also use electric cars**
